Service completed by: Envision Property Maintenance

INVOICE

Services	qty	unit price	amount
3x4 Downspout with Clean-out Installation	1.0	\$375.00	\$375.00
We will install 3x4 corrugated aluminum downspouts. These function better than the plain square options which have many sharp angles hindering the flow of debris.			
We will install a downspout clean out near ground level, so any debris that enters the downspout can be cleared out without the need of a ladder.			
Gutters and downspouts should be inspected and flushed annually.			
Color options vary, but can be selected after approval.			

Services subtotal: \$375.00

Subtotal	\$375.00
BMP Discount	-\$75.00
Job Total	\$300.00
Invoice Amount	\$300.00
